AREEBA ZAFAR

SOFTWARE ENGINEER

Phalia, M.B.Din, Pakistan | areebazafar35796@gmail.com | +923044377019 | GitHub

SUMMARY

Computer Science Graduate (3.71 CGPA) and Software Engineer with hands-on skills in Next.js, React, Python, and FastAPI. Experienced in designing responsive web interfaces, developing backend APIs, and working with machine learning and deep learning models. Possesses strong analytical, communication, and presentation skills, making me adaptable to software development.

TECHNICAL SKILLS

JavaScript(ES6+)	Node.js	DL(ResNet 18)	ML(XGBoost)
React.js	MySQL	HTML5 & CSS3	FastAPI
Next.js	Prisma ORM	Python	REST APIs

TOOLS

VS Code	Canva	Vercel	Claude
Cursor	Jupyter Notebook	Git/GitHub	Figma
Postman	MySQL Workbench	Chrome DevTools	Swagger UI

PROJECTS

Liver disease Prediction & Prevention Using AI Model — Dec 2025 - May 2026

- Integrated XGBoost and ResNet18 models via FastAPI for blood report analysis and scan classification.
- Created appointment booking, doctor chat, digital prescriptions, report downloads, and admin approval.
- Implemented JWT authentication, bcrypt password hashing, and email-based OTP verification.

Pizza Restaurant & Coffee Shop Website | 2025

- Developed a fully responsive website using JavaScript, HTML5 and CSS3.

Bank Account Management System | 2024

- Developed a database-driven bank account management system using MySQL.

Train Reservation System | 2023

. • Console-based application developed in C++ and file handling.

Student Management System | 2023

• Console-based Student Management application in C++ using OOP concepts

EDUCATION

Bachelor of Computer Science, University of Gujrat Nov 2022 **-** June 2026

CGPA: 3.71 /4.00

FSC Pre - Engineering, Punjab College Phalia Oct 2020 - Mar 2022

Marks: 912 /1100

ADDITIONAL INFORMATION

• **Languages:** English, Urdu.

• **Awards/Activities:** I got a Laptop under the Prime Minister's Youth Scheme 2025.

• **Certificates:** Certificate of Participation for the Research Paper Conference at Superior University.

Certificate of Attendance for the Cyber Security Seminar at University of Gujrat.
